# CHRONIC CARE MANAGEMENT PROGRAM 

Learn More $\exists$

WELCOME TO
HEALTHMAPRx
Reduce Clinical Risk for Program Participants $\rightarrow$ Decreased Medical Health Plan Costs

PPCN is an independent third-party
contractor that has been providing chronic condition care management since early 2000s. HealthMapRx ${ }^{\text {TM }}$ programs are designed to manage costs through reducing financial and clinical risk for chronic conditions, including:
Pre-Diabetes, Diabetes, Cardiovascular Disease, Asthma and Behavioral Health (focus on depression and anxiety).
