CHRONIC CARE MANAGEMENT PROGRAM

Learn More

WELCOME TO HEALTHMAPRx™

Reduce Clinical Risk for Program
Participants → Decreased Medical
Health Plan Costs

PPCN is an independent third-party contractor that has been providing chronic condition care management since early 2000s. HealthMapRx™ programs are designed to manage costs through reducing financial and clinical risk for chronic conditions, including: Pre-Diabetes, Diabetes, Cardiovascular Disease, Asthma and Behavioral Health (focus on depression and anxiety).
